"Spirit of Courage" Memorial Scholarship

HOPE and FAITH as your constant companion. DETERMINATION and PURPOSE to nourish you with undeniable STRENGTH during those hard moments.

The Andrea Coffey "Spirit of Courage" Memorial Scholarship was established by the New Paris Area Chamber of Commerce in 2016. Andrea was a 2001 National Trail Graduate and served as an active member of the New Paris Area Chamber of Commerce. With the Chamber, she led the vigorous path in the revitalization & betterment of the annual New Paris Applefest and provided innovative ideas to help improve the New Paris community.

While selflessly serving her community and raising her two beautiful children, Andrea had unlimited strength during her 9 year courageous battle against cancer. She was a beacon of light even during her darkest days when she had little strength. Andrea was a determined leader, a courageous fighter, who portrayed unmatched dedication and commitment as a true community servant.
